Information Event:
Aurora @ Universität Innsbruck

Dedicated to difference: Matching world-class academic excellence with societal engagement and impact.

Aurora is a University network platform for European university leaders, administrators, academics, and students to learn from and with each other. Universität Innsbruck joined the Aurora Network in October 2019, which has nine members in total.

Aurora offers its members opportunities for cooperation - within the key theme areas and through mobility and collaboration of students, academics and administrators. The key themes are:

» Diversity & Inclusion
» Societal Relevance and Impact of Research
» Students
» Innovation of Teaching and Learning

This information event offers the opportunity to get first-hand information about Aurora and discuss the involvement of Universität Innsbruck in this network. Please note that the event will be held in English.

1 The nine members of the Aurora network are: Vrije Universiteit Amsterdam (NL), University of Iceland (IS), University of East Anglia (UK), Universität Duisburg-Essen (D), University of Aberdeen (UK), Université Grenoble-Alpes (F), Universitat Rovira i Virgili Tarragona (ES), Università degli Studi di Napoli Federico II (IT) and Universität Innsbruck.
